

KDCB177100

DC Block, 200.0V, 10MHz-18.0GHz, SMA.

Inner only- 18.0 GHz SMA DC Block.

Connection & Mounting: SMA M/F connectors per MIL-STD-348 interface dimension mate non-destructively with MIL-PRF-39012 connectors.

Construction: Stainless steel body with stainless steel connectors with gold plated beryllium copper female contact and stainless steel male contact.

Power: Low Power (up to 10W)

Average Power: 2

Nominal Impedance: 50
